SPECS (SOFTWARE)

Maximum memory for EJ report: 5000 lines in the built in SRAM.

The following describes the maximum number of characters that can be programmed for
each item description in a single width:

> PLU: 7000 / PLU name: 12 characters

> DEPT: 200 / DEPT name: 12 characters

> CLERK: 40 / CLERK name: 24 characters

Maximum memory of one time registration at a register mode: 100

Table tracking: 20 table, 60 registration per 1 table

HANDLING

```

```

Entered Value

The remaining numbers of characters that can be entered.
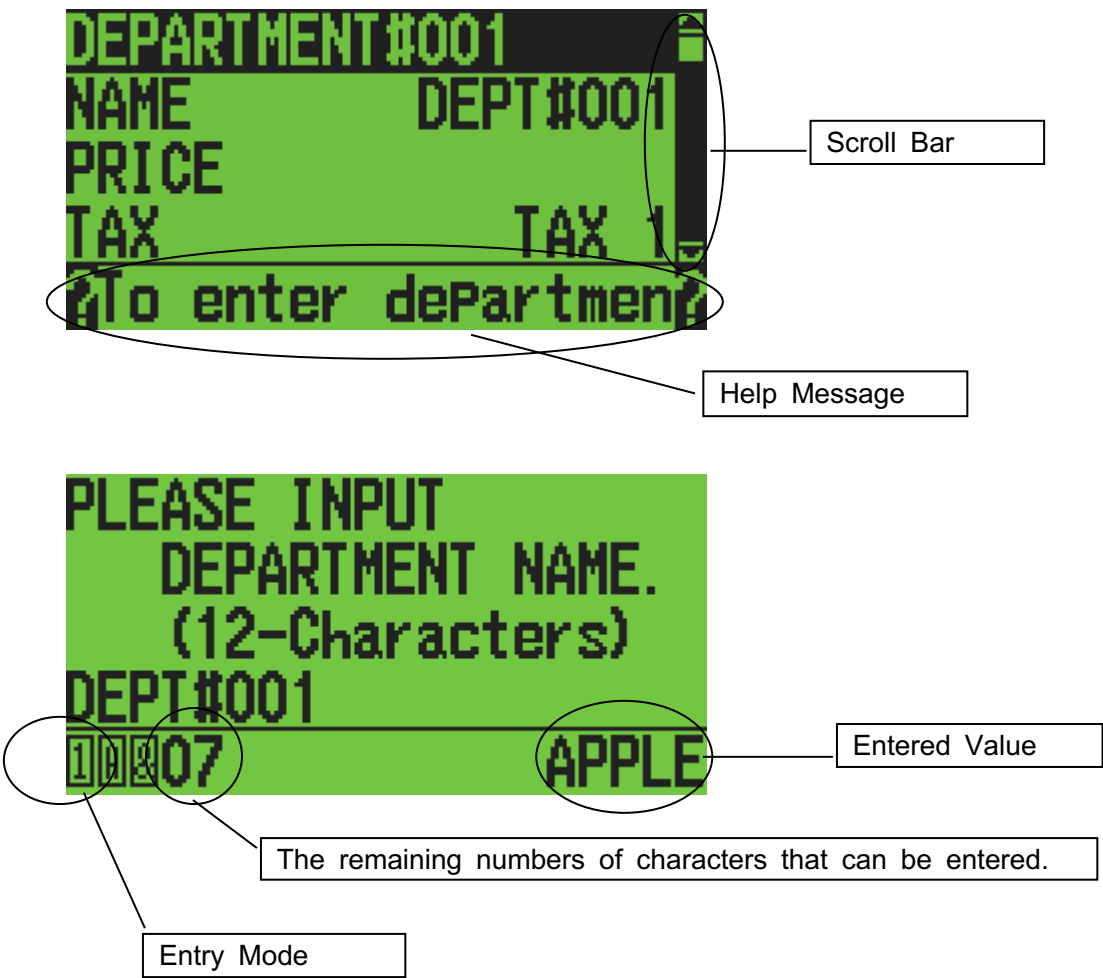

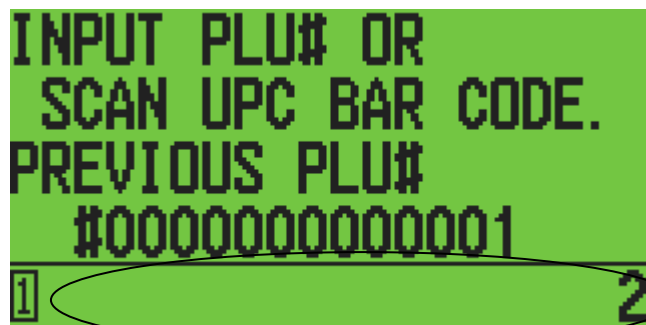

Entry Mode

PLU number or bar code number will display here

ENTRY MODE

A   Enables you to input letters and symbols using the **DEPT** key with **CAPS ON**.

a   Enables you to input letters and symbols using the **DEPT** key with **CAPS OFF**.

1   Enables you to input numbers using the **TEN** key.

8   Enables you to input symbols using the **#/NS** key.

↑   Enables you to register by using the **Bar Code Reader**.

TR   **Training Mode** in the Registration Mode.

ROFF   **Receipt OFF Mode** in the Registration Mode.

EJ   **EJ Mode** in the Registration and "X" Modes.

The **VOID** key enables you to delete 1 character in the character entry of the PRG mode.

[**charge**] = Double Word

[**return**] = CAPS

HELP MESSAGE

?   The selected item will scroll in the Help Message area.

SCROLL BAR

Appears around the selected item.

SOFT KEYBOARD
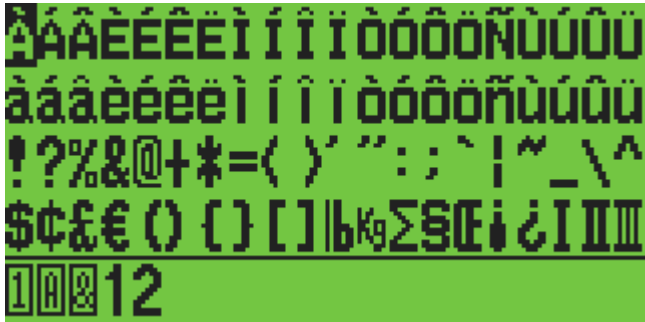

A reversed character shows the position of a cursor.

Use the ←↑↓→ keys to move. (When moving to the right or left, the line you are on will
scroll to display the following character or symbol).

To enter the character at the cursor, press the **ENTER** key. Characters on the **TEN** key
and the **DEPT** keys are also available.

When you press the '**Charge'** key, the next characters will become double wide char
acters.

Press the **#/NS** key again and the soft keyboard mode will close and you will retur
n
to the **Entry Mode**.

POP UP MENU

The examples illustrated below will appear when an error occurs or a
warning appears.
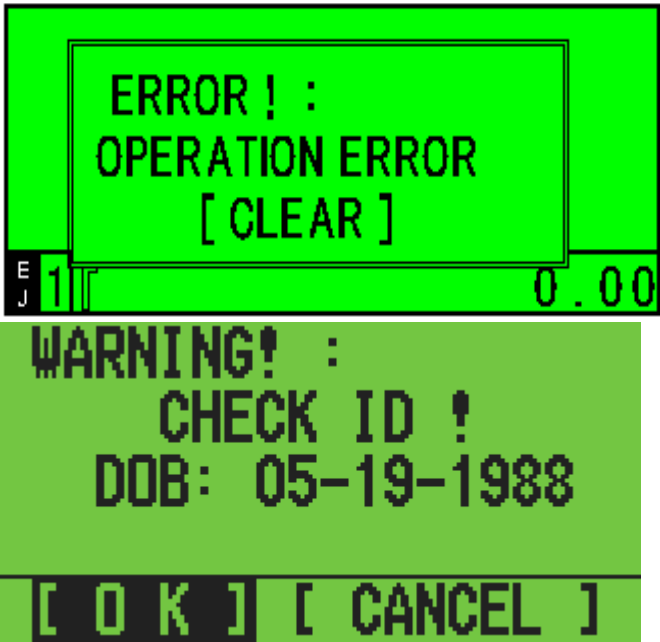

Check the message and select the option you need. Then close the menu by pressing
the **ENTER** or **CLEAR** key.

In the case of the illustration on the right, select the option you want by using the
[←][→] key and then press [**ENTER**] to close.

KEYBOARD (C)

Amount tend total - The Amount Tend Total key is used for a cash te
nder transaction.

<enter> - The Enter key is used to progress to the next ste
p.

charge - The Charge key is used for a charge tender trans
action.

<DW> - Double Wide Characters are created by this key.

clear - The Clear key will clear an entry made on the nu
meric keypad or

qty key before it is finalized on a department or f
unction key. The

Clear key is also used to clear error conditions.

feed - Depressing the Feed key advances the receipt or
journal paper one
line. If you keep depressing the key, it continues t
o advance a
receipt or journal until the key is released.

cpn feed - The CPN key is used to subtract an amount from
the sales total.

The financial report records the CPN key total.

-%/RA - The double-function -% key and Received on Acc
ount (RA) key:
The -% key is used to subtract an amount from t
he sales total.
The financial report records the -% key total.
- The RA key is used to record a media payment o
r loan to the
cash drawer. The financial report records the recei
ved on account
total.

+%/PO - The double-function +% key and Paid Out (PO) k
ey: The +% key is
used to add percentages from the sales total. The
financial
report records the +% key total.
- The PO key is used to remove money from the c
ash drawer. It
carries its own total on the financial report.

#/NS - The #/NS key is used to open the drawer without
registering an
amount or when changing money for a non-sales
transaction.

<sym>	-	The Symbol key is used as a symbol input chang
e key at the		
		time of a caption setup.
Subtotal	-	The Subtotal key is used to display a sales total.
<R issue>	-	The R Issue key is used to issue a receipt on de
mand.		
return	-	The Return key is used to return merchandise.
<caps>	-	The Caps key corrects activity and sales totals. M
erchandise return		
		carries its own total on the financial report. The C
aps key is used		
		to toggle between a capital letter and a small lett
er at the time of a		
		caption setup.

dept shift - Department Shift Key (dept shift) is used when a
department #17-32   and the numbers 17-32 are selected.

check - The Check key is used for check tender transacti
ons.

00,0 - 9 - Numerical keys are used to input numbers.

plu - Price Look Up function.

plu alt/FC - The Plu Alt key is used for manual price entries f
or PLUs.
- The FC key is to convert the FC rate.

tax exempt sale - The Tax Exempt Sale key is used for tax except
operation.

tax force - The Tax Force key temporarily enables change to
the tax attribution   (such as tax1, tax2, tax on tax
…etc.) on your display.

void - The Void key is used to erase an incorrect entry
or for error correct
<BS> operations. The Void key corrects all totals and st
ores its own total

on the financial report. This void key also serves t
o cancel the last character that was inputted.

qty - The qty key is used for multiply department entrie
s. The date/time is   displayed by this key.

· - The Decimal Point key is used to enter decimal p
oint.

←/table,↑↓→ - These keys are used to move a cursor or switch
items.
- The table key is also used to open a table or retr
ieve a table that
Is already opened and to close a table by a pay
ment. Also, this key   is used to temporarily close a table.

REC on/off - This key switches between "printing receipt" and
"Not printing
receipt".

<ESC> - ESC key is used as a key which returns to the u
pper level menu
screen.

DEPT#1-16 - The DEPT#1-16 key is used to input letters and
symbols at the
time of any caption setup.

MAIN MENU - The MENU key is used to turn the power on while the LED is off.

<ON> During operation, depressing this key enables you to go to the

Main Menu screan directly and return to the Main Menu from the off mode.

.
In the US, please call
1-888-261-4555.

Enjoy your new Royal
Cash Register!
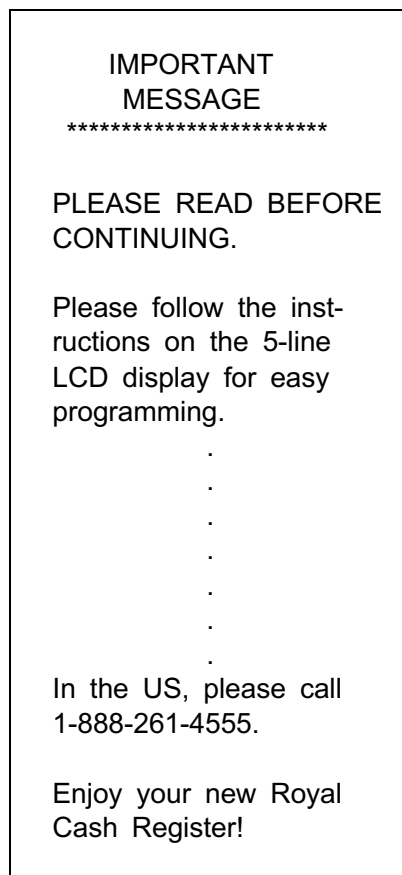

Follow the instructions displayed below to program the date and time.

Example: May 5, 2015, 9:26 AM.

Program the present **YEAR**. Input 2 digits to represent the present year u
sing the numeric
keys, then press [ENTER].

Example: 2015 → 15

LCD
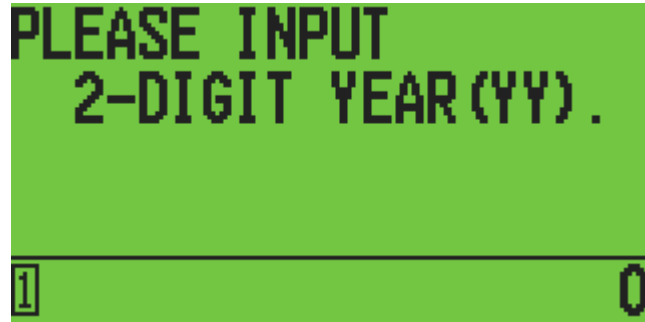

Program the present **MONTH**. Input 2 digits to represent the present mont
h by using the
numeric keys, then press [ENTER].

Example: May → 05

LCD

Program the present **DAY**. Input 2 digits to represent the present day by
using the numeric
keys, then press [ENTER].

Example: 5 → 05

LCD

```
PLEASE INPUT
  2-DIGIT DAY(DD).

1                    0
```
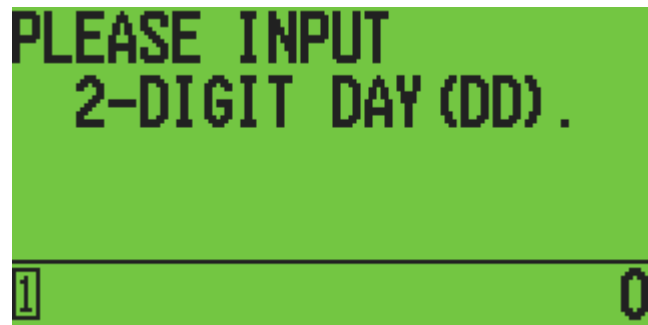

Program the present **HOUR**. Input 2 digits to represent the present hour (military hour) by using
the numeric keys, then press [ENTER].

Example: 9 → 09

LCD

```
PLEASE INPUT
  2-DIGIT HOUR(HH).
  (24 HOUR FORMAT)

1                    0
```
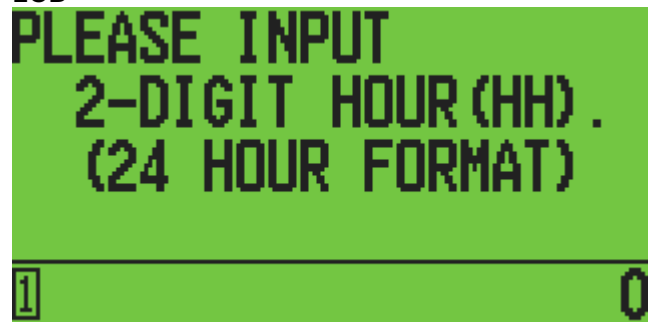

Program the present **MINUTES**. Input 2 digits to represent the present minutes by using
the numeric keys, then press [ENTER].

Example: 26 → 26

LCD

```
PLEASE INPUT
 2-DIGIT MINUTES(MM)

1                    0
```
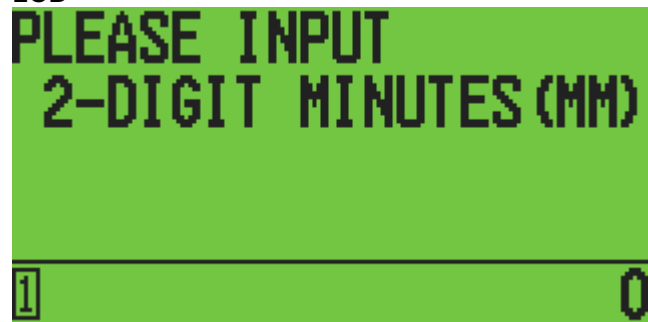

To program the TAX SYSTEM

Select the TAX SYSTEM (USA、CANADIAN、VAT) by using either the [↑]
and [↓] keys and
then press [ENTER].

CANADIAN TAX = CANADIAN TAX **without CANADA ROUNDING**.
CANADIAN ROUNDING = CANADIAN TAX **with CANADA ROUNDING**.

LCD

```
TAX SYSTEM SELECT
USA (ADD ON) TAX      ▲
CANADIAN TAX
CANADA ROUNDING
VAT TAX               ▼
? Select Tax Calcu ?
```
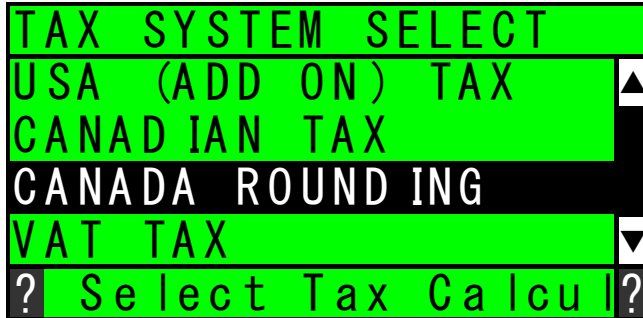

Select STRAIGHT TAX or TABLE TAX by using either the [↑] and [↓] key
s and then press
[ENTER].

An abbreviation by the [ESC] key is possible.

LCD
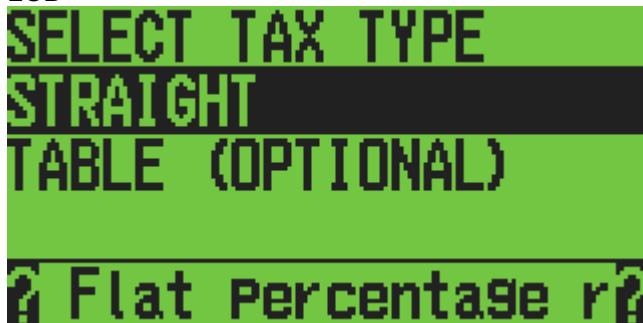

```
SELECT TAX TYPE
STRAIGHT
TABLE (OPTIONAL)

? Flat Percentage r?
```
        ↑
The above is displayed when choosing USA TAX

Enter the RATE (0 - 99.999%) you want using the numeric keys. Then pr
ess [ENTER].
An abbreviation by the [ESC] key is possible.

For an example for 10%, enter "10000"

LCD

```
PLEASE INPUT
 TAX 1 PERCENT RATE.
 (XX.XXX%) Enter as
5-digit number.
1                    0
```

LCD

Press [ENTER]

LCD

4) OPERATING NOTES

This section provides information regarding the operation.

ALL OPERATIONS ARE PERFORMED IN THE REG MODE.

The term 'department entry' is used in many operating sequences. This refers to a normal
department entry - remember that an amount must be entered via the numeric keypad before pressing a department key.

When an operation error occurs, a POP-UP will display what the error is and will give you thesolution. At the same time, your ECR will keep beeping until the error is released. Press
[ENTER] to release the error.

Recovery of power save returns to a main menu.

4-a) ELECTRONIC JOURNAL

Items on the electronic journal (EJ) are on the sales receipt and financial report.

(1) Nearly full warning

When the maximum number of lines that can be recorded on the EJ are near the
maximum, the following screen will appear. Choose either Continue or Cancel by pressing
the ← → key.

Financial Report:

```
WARNING! :
ELECTRONIC JOURNAL
MEMORY NEARLY FULL
LINES REMAINING: 512
[CONTINUE]    [CANCEL]
```

Choose either [Keep EJ On] or [EJ Off] by pressing the ← → key. If you select [EJ OFF],
the sales receipt cannot be recorded into the EJ and the Consecutive Number will not be
renewed.

Sales Receipt:

```
WARNING! :
ELECTRONIC JOURNAL
MEMORY NEARLY FULL
LINES REMAINING: 512
[KEEP EJ ON][EJ OFF]
```

(2) Full error
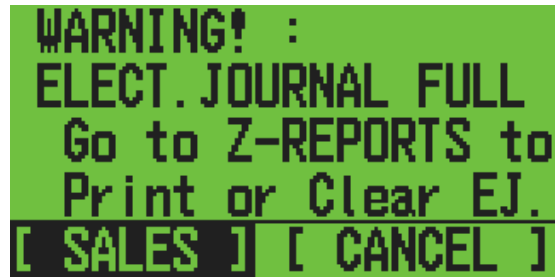

When the maximum number of lines that can be recorded on the EJ are reached, the
following screen will appear. Choose either continue or cancel by pressing
the ← → key.

Financial Report:

```
WARNING! :
ELECT.JOURNAL FULL
 Go to Z-REPORTS to
 Print or Clear EJ.
[CONTINUE]    [CANCEL]
```

When the maximum number of lines that can be recorded on the EJ are reached, the
following screen will appear. Choose either Continue or Cancel by pressing the ← → key.

Sales Receipt:

```
WARNING! :
ELECT.JOURNAL FULL
 Go to Z-REPORTS to
Print or Clear EJ.
[ SALES ] [ CANCEL ]
```

4-b) PARTIAL RESET

Turn the power ON by pressing the [3] and [7] buttons. This allows recovery from a
power failure and by keeping all preset data.

4-1) BASICS DISPLAY

Note: The date, etc. cannot be displayed during a transaction.

[qty/date]

```

LOCAL TOTAL ——— TOTAL
FC TOTAL ——— FC
FC CHECK AMOUNT ——— CHECK FC
LOCAL CHANGE ——— CHANGE
FC CHANGE ——— CHANGE FC

*2) In the above example, the tender operation is entered while the FC total is on the display.
   The Check amount is also shown in FC. But Check Sales Total and Cash in Drawer are always
   updated in Local currency. Change calculation is done after the FC amount is converted to Local.

4-28) DOUBLE RECEIPT ISSUE

The [subtotal/R issue] key enables you to re-print the receipt. Data to be accumulated in
RAM to enable this feature is 200 lines. In the event that the data exceeds 200 lines, only
the total amount will be be printed.

(Transaction   )

{   TENDER   }

[subtotal/R issue] ⟶ Print receipt

Note) EFT information is not printed in the double receipt

4-29) RECEIPT ON/OFF KEY

You can set the receipt on/off by using the [REC ON/OFF <ESC>] key. This is toggle key.
The setting changes whenever pressed.

<RECEIPT ON>   <RECEIPT OFF>

[REC ON/OFF <ESC>]
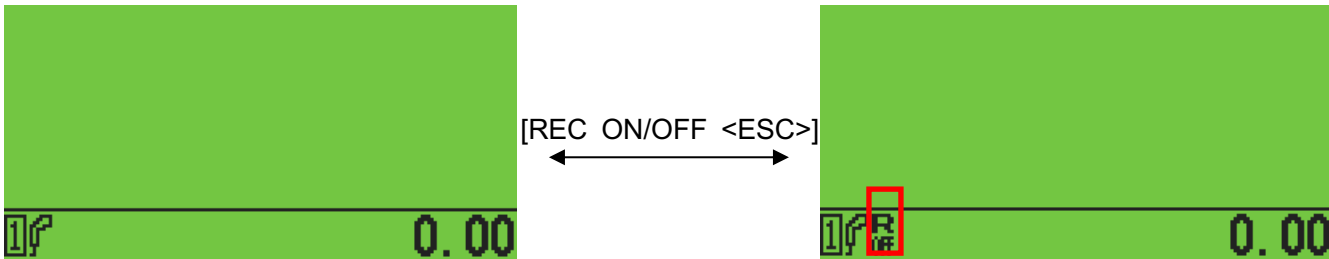

Note) When the EFT is paid, the Receipt Off setting is disabled. The receipt is issued.

4-30) FULL VOID OPERATION

   The transaction is suspended by the all void operation. An all void operation is not possible
   after payment begins.

[DEPARTMENT or PLU ENTRY]

[DEPARTMENT or PLU ENTRY]

[subtotal]

[void]

   Example :

(100) - [DEPT 1/17]

(200) - [DEPT 2/18]

[subtotal]

[void]

```
19:17         04-12-2006
MC NO.1234          0066
CLERK01
DEPT 1            *1.00
DEPT 2            *2.00
————————————————————————
SUBTOTAL          *3.00
////// FULL VOID ///////
```
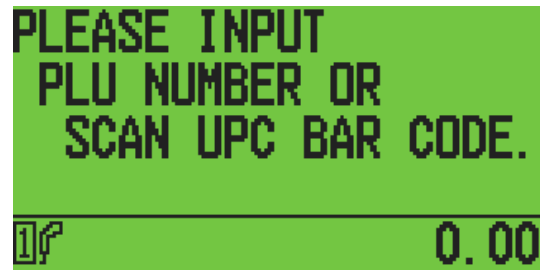

4-31) PRICE INQUIRE

   The programmed PLU status is displayed. You can select whether or not to register the item.

                          [clear   ]   PLEASE INPUT
                                                        PLU NUMBER OR
                          [plu   ]   SCAN UPC BAR CODE.

                                                      1📖   0.00

    enter PLU # (   )-[plu   ]   PLU#0000000000001
                          or   NAME   APPLE
            { Bar-code reader scan }   PRICE   1.00
                                                      LINK DEPT   001
                                                      [SALES] [CANCEL]

            [amt tend/total]
                    or
            [>   ] - [amt tend/total]

4-32) AGE CHECK

When the item is registered, warning of the age limitation can be displayed.
It is necessary to set the value at the OTHERS SET UP and DEPARTMENT SET UP.

At Others Set Up

```
FC SET UP
AGE 1 SET UP      18
AGE 2 SET UP      21
CURRENCY SYMBOL: $
? Press Enter to Pr?
```

Setting the value at 20 years old with AGE 1 in this example.

```
PLEASE INPUT
 AGE TO BE VERIFIED
 FOR DEPT. SALES
 LINKED TO AGE-1.
1                   20
```

At Department Set Up

```
NAME         DEPT#001
PRICE            1.00
TAX           NON TAX
MORE OPTIONS
?           To set ad?
```

Setting is AGE 1 in this example.

```
MODE         STANDARD
TYPE           NORMAL
HALO          NO HALO
AGE            AGE 1
? To select age che?
```

At Sales Registration
EX:
Dept1 -> AGE 1
AGE 1 -> 20
Today -> Apr. 11 2006

```
WARNING! :
    CHECK ID !
  DOB: 04-11-1986

[ O K ] [ CANCEL ]
```

When you register the above item, a warning is displayed. You can decide whether to sell
the item by pressing the right or left arrow. Then push the Amt tend/total key.

4-33) TRAINING MODE

Even if the transaction data is entered in the training mode, the report totalizer and counter
would not add up nor would the Receipt number counter. The FINANCIAL REPORT and
PROGRAMMING modes are not operative.

a) Key entry sequence to enter the training mode is:

(TRAINING MODE PASSWORD) - [subtotal/R issue]
6 digits

b) Key entry sequence to terminate the training mode is:

(TRAINING MODE PASSWORD) - [subtotal/R issue]
6 digits

LCD DISPLAY

Training mode symbol

Note : Receipts printed in the TRAINING MODE prints "****" instead of the consecutive
number. The EFT function will not work in the training mode.

4-34) TABLE TRACKING OPERATIONS

4-34-1) First of tracking

```

        TL-CLERK           $897.00
```

CLERK NAME —— TOM

ACTIVITY COUNTER —— EMI

SALES TOTAL —— $100.00

ALL CLERK SALES TOTAL —— $897.00

LCD display stays at Z REPORT initial menu.

Note 1)   You can stop issuing the report by pressing the paper feed key. In this case, the
          total of the range CLERK sales will not be printed.

Note 2)   When the TAX SYSTEM is set to USA TAX or CANADIAN TAX, tax amount will not
          be included in the sales total. There is no parameter that programs this setting.

6-3-5) HOURLY REPORT

To read the Hourly Report and reset the total to zero:

Select HOURLY REPORT at Z REPORT initial menu using the [↓][↑] keys.   Press [EN
   TER]
to print.

```
         15:37         04-11-2006

LIMITED WARRANTY

ROYAL ELECTRONIC CASH REGISTER LIMITED WARRANTY

Royal Consumer Information Products, Inc. ("Royal") at 1011 U.S. Highway 22 West, Suite 202, Bridgewater, NJ 08807 USA warrants that your NEW Royal Electronic Cash Register or Time Clock ("Product") is free of defects of workmanship and materials. If there is a defect or malfunction of this Product, Royal will repair the Product free of charge as follows:

PARTS: New or comparable rebuilt parts in exchange for defective parts for ONE YEAR from the date of purchase.

LABOR: All labor charges incurred from a Royal Authorized Service Center or the Royal Corporate Service Center are covered for 90 DAYS from the date of purchase. After 90 days there will be a labor charge for repair of the Product and/or assemblies such as the keyboard, display(s), logic board, power supply and printer(s) at the Royal Corporate Service Center's or the Royal Authorized Service Center's then prevailing rates. The Product must be brought to a Royal Authorized Service Center nearest to your location; or the Product must be shipped postage prepaid, insured and via a traceable shipping method to a Royal Authorized Service Center or to the Royal Corporate Service Center. Royal will pay return postage from the Royal Corporate Service Center during the labor warranty period only.

This warranty does not apply to persons who purchased this Product second hand or used.

This warranty does not include the replacement of ink rolls, ribbons, time cards, paper rolls or any other consumables or supplies used in the cash register or time clock and consumed through the normal use of the Product.

This warranty does not include cleaning, adjustments, parts, or repairs required by circumstances beyond the control of Royal, including, but not limited to, fire or other casualty, accident, neglect, abuse, abnormal use, misuse or battery leakage damages. THERE ARE NO OTHER EXPRESSED WARRANTIES EXCEPT AS STATED HEREIN. AFTER THE PERIOD OF EXPRESSED WARRANTY SET FORTH HEREIN, THERE ARE NO EXPRESSED OR IMPLIED WARRANTIES AND THOSE EXCLUDED INCLUDE THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Royal shall NOT be liable for CONSEQUENTIAL DAMAGES resulting from any failure, defect, or malfunction of this Product. Some states do not allow limitations on how long an implied warranty lasts and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

TO OBTAIN SERVICE UNDER THE TERMS OF THIS WARRANTY:

- Pack your Product in the original carton or equivalent.
- Enclose a copy of the bill of sale or other documentation showing original purchase date.
- Enclose a card or note describing the difficulty you have had with the Product.
- Be sure to include your complete name, address and day-time telephone number.
- Bring or ship, prepaid and insured, via a traceable shipping method the above Product to the nearest Royal Authorized Service Center location or to the Royal Corporate Service Center. The Royal and/or the Service Center cannot be held responsible for any loss or damage that occurs while in transit.

For Authorized Service Centers within your local area, please call 1-888-261-3888 or 1-800-272-6229. In Canada call 1-888-266-9380 or you may call the Royal National Repair Center directly at 800-832-6522 for shipping instructions and additional information.

Please retain the original proof of purchase for your records to establish date of original purchase. Your warranty starts with the date of original purchase. This warranty gives you specific legal rights, and you may also have other rights which vary from State to State.

- This warranty is valid only on cash registers and time clocks purchased, delivered and used in the United States and/or Canada.
